Did you know that our staff can help you quit smoking?

The staff at your local community and social service can:

- Help you understand how smoking impacts your overall health, finances and social wellbeing
- Help you access cheaper stop smoking medications

(for example nicotine replacement therapy) Discuss your options for tailored support, including referring you to a specialist quitting service such as Quitline.

Talk to our staff about your options today or give **Quitline 137848** a call for a free confidential chat.
