

Did you know your
stroke clinician
*can help you stop
smoking?*

Quitline[®]
13 7848
quit.org.au

Your stroke clinician can:

- ✓ **Help you understand** how smoking impacts stroke recovery and risk of another stroke
- ✓ **Help you access cheaper stop smoking medications**
- ✓ **Refer you to a specialist quitting service** such as Quitline

**Talk to your stroke clinician about your options today,
or give Quitline 13 7848 a call for a free, confidential chat.**
